TELL YOUR DOCTOR HOW YOU REALLY FEEL.

We tell them about our aches and pains. We share our hopes and fears. And we trust them to safeguard our most precious possession: our health. But when was the last time you let your doctors know how much you appreciate all they do for you and your family?

The AMA would like to help you express your gratitude. We provided the envelope. Now you can fill it with your "thanks." It could be a quick note from you or a child's drawing. You can even download and print out a card from our Web site.

However you decide to say "thanks," one thing's for certain: your doctor will be especially grateful to hear how you really feel.

Look for these and other downloadable cards at **www.ama-assn.org/go/thankyou**

A Fun Do with Fondue

Introduce different circles of friends over a fun evening of fondue. Put a set of our classic handforged Wüsthof® knives to work the night before, so all you have to do is sit back and dip. Make sure you have extra fondue forks, plates and lots (we emphasize lots) of chocolate.
