Similac®

Mom's  
**\$130K**  
Payday!

There are few callings in life that are as admirable, or as challenging, as motherhood. It's a life's commitment to nourish the physical, emotional and spiritual well-being of another human being. The responsibilities are huge and Mom must wear many hats. She is the cook, maid, chauffeur and teacher, all the while juggling midnight feedings and sleepless nights. The role of mother demands as much time, effort and energy as any full-time job—paid in full, up until this point, with pure love.

Here's your chance to get paid for the great job you do. All of us at Similac decided that if anyone deserves a hefty salary, it's you. In fact, a recent study\* showed that a mom's salary should be about \$130,000. Enter for your chance to win \$130,000, plus a trip for two to a special event from *O, The Oprah Magazine* or one of other great prizes. Simply, go to [SimilacMomsPayday.com](http://SimilacMomsPayday.com) and write your job description for being a mom.
